

What's the time?

**What has two
hands and a face
but no arms and
legs?**

A cartoon illustration of a yellow rabbit with long ears and a red collar. The rabbit is holding a large, ornate gold pocket watch with its hands. The watch has black numbers from 1 to 12 and two red hands showing approximately 10:10. The rabbit has a surprised or excited expression, with wide eyes and a slightly open mouth. A speech bubble originates from the rabbit's head, containing the text.
