

# Questions in the Present Simple.

We use 2 ways to  
ask questions in  
Present Simple:

We use:  
**Yes/ No  
questions**

and...

Wh  
questions .

# Yes/ No questions:

we use the helping verbs **Do** or **Does** to ask **yes/ no** questions.

We put them before the subject.

**Do/ Does+ subject+ base verb?**

**Remember!** Do not add **-s** or **-es** to the verb.

• **Do**+I/you/we/they+base verb?

Ex: **Do** you love me?

**Do** they practice tennis everyday?

• **Does**+he/she/it+base verb?

Ex: **Does** it cost a lot of money?

**Does** he study everyday?

• ! We do not use do or does with the verb be.

Ex: Am I late?

# Wh questions:

We use these words to ask  
**wh** questions:

- Which
- Who
- What
- Where

- When
- Why
- How

## Wh non-subject questions:

We usually put the  
**Wh** question before  
the helping verbs.

**Wh**+do/does+subject+base verb?

## **Wh+do/does+base verb?**

Ex: The sun rises in the east.

**Where** does the sun rise?

Ex: I drink tea without sugar.

**How** do you drink tea?

**Remember!** Do not add **-s** or **-es** to the verb

## Wh subject questions:

To ask subject

questions

we use the **Wh**

question words:

**what** and **who**

instead of the subject.

After the Wh  
question words,  
**who** or **what**, the  
verb will be in it's  
singular form.

- For example:
- What** looks dangerous?
- Bungee-jumping** looks dangerous.

- Who** is at school?
- The pupils** are at school.

**Don't forget!!!**

We can also ask questions in  
the Present Simple to get  
general information about  
something.

**Ex:**

How much does a ticket to  
? Disneyland cost
